

Monash School of Medicine Leadership Streams

Keep your passions alive and explore new avenues while you study medicine at Monash. Each stream has an exciting calendar to impart unique skills and connect you to our amazing faculty and alumni.

Humanities in Medicine

Do you want to stay engaged with art, history, literature, music and languages? Are you excited to see how medicine can be shaped by the humanities?

Planetary & Global Health

Are you passionate about sustainability, planetary health and climate change? Do you want to build a healthier planet for future generations to come?

Medical Education

Are you excited about learning and sharing this knowledge with future generations? Do you see yourself as a passionate medical educator?

Medical Technology & Innovation

Are you excited by medical AI, neurotech or surgical robots? Are you an inventor at heart? Do you want to learn how to build the future of medicine?
